Students will gain the tools to analyze the concepts of religion and how it applies to the study of different cultures and beliefs.

Grading: Three midterm exams will account for 15% of the final grade (each) and the final exam will account for 25% of the student’s final grade. The Religion Responses will account for 30% of the student’s final grade (2.5% each).

Religion Responses: For each religion covered in this course, students will be expected to write a response and analysis which highlights the observable aspects that we can examine as we study that particular religion. Emphasis should be given to concepts like historical accuracy and descriptive accuracy. The total for completing all 12 assignments will account for 30% of the student’s final grade.

Student Guidance on Wearing Facial Coverings

All OSU students, employees, and visitors must wear a facial covering (mask) upon entering any campus building and when near or encountering others. This includes during class and in laboratory settings. Please be aware that additional personal protective equipment (PPE), such as a face shield along with a mask, may be required in certain classroom and laboratory settings. Students who fail to wear their facial covering will be asked to leave the room and return after retrieving their facial covering.

Students who continuously fail to comply with this university expectation will be referred to the Office of Student Conduct Education and Administration for the Student Code of Conduct’s Failure to Comply policy.

COVID-19 can be spread when people are asymptomatic, which means they do not know they are sick yet. Wearing facial coverings has been shown to reduce the spread of COVID-19 to others. It is important that OSU is a safe place to work and study, and taking this step creates a safe environment for all of us as advised by the CDC. More on facial covering guidelines. (https://go.okstate.edu/coronavirus/campus-reopening-plan/plan-at-a-glance/face-coverings.html)

Your success as a student is our top priority so the following information is provided to answer questions most often asked by students. Be assured the OSU faculty and staff want you to be successful in your educational pursuits. If you have questions or concerns, please be sure to seek help EARLY! We are here to assist you.

As a student, you may experience a range of issues that can cause barriers to learning. Mental health concerns, such as strained relationships, increased anxiety, alcohol/drug problems, difficulty concentrating, and/or a lack of motivation, can lead to diminished academic performance and/or feelings of distress. A lack of access to basic needs including food, housing, or hygiene products, can negatively affect your ability to do well in your courses. Whatever your need, the OSU community is here for you and wants to provide resources to best support your needs. You can access mental health (https://wellness.okstate.edu/student-wellness/resources.html), overall wellness resources (https://wellness.okstate.edu/student-wellness/index.html) and the Basic Needs Resource Center (basicneeds.okstate.edu) to help navigate college life. You can request assistance in navigating resources or share concerns you might have about a peer at Student Support and Conduct (ssc.okstate.edu/report).

DROPPING A COURSE AND WITHDRAWING FROM THE UNIVERSITY, students often confuse these terms.

Dropping a Course refers to the dropping of one or more classes while remaining enrolled in at least one other OSU course for a given semester. Students may request to drop a course during the 13th and 14th weeks of the semester with instructor and advisor permission. The grade of “W” or “F” will be assigned by the instructor. Drop and refund deadlines can be found within the Academic Calendar. Summer courses and other short courses that vary from the standard 16-week semester follow proportionate drop and refund periods.

Withdrawing from the university means dropping all courses and you are no longer enrolled for the current semester. The withdrawal process is initiated with your academic advisor. Withdrawal deadlines can be found within the Academic Calendar. Withdrawal deadlines involving summer courses and other short courses that vary from the standard 16-week semester follow proportionate withdrawal periods.

Exceptions to the deadlines above may only be considered by petition due to documented extraordinary circumstances and committee approval. The Retroactive Drop/Withdraw and Refund of Tuition and Fees Petition is available on the Academic Affairs’ website: https://academicaffairs.okstate.edu/faculty-development/add-drop-withdraw.html.

ALERTS AND RESCHEDULING
If the OSU campus officially closes due to inclement weather or other emergencies, alerts are provided to local news media and posted on the OSU website. Missed exams, classes, or assignments may be rescheduled at times outside the normal meeting schedule. If valid, documented circumstances prohibit students from attending the rescheduled classes, instructors should provide reasonable alternative means for makeup.
OSU is committed to maintaining the highest standards of integrity and ethical conduct. This level of ethical behavior and integrity will be maintained in this course. Participating in a behavior that violates academic integrity (e.g., unauthorized collaboration, plagiarism, multiple submissions, cheating on examinations, fabricating information, helping another person cheat, unauthorized advance access to examinations, altering or destroying the work of others, and altering academic records) will result in an official academic sanction. Violations may subject you to disciplinary action including the following: receiving a failing grade on an assignment, examination or course, receiving a notation of a violation of academic integrity on your transcript, and being suspended from the University. Students have the right to appeal the charge.

COPYRIGHT & FAIR USE POLICY OF COURSE MATERIALS
Course materials may not be published, leased, sold to others, or used for any purpose other than appropriate OSU-related individual or group study without the written permission of the faculty member in charge of the course and other copyright holders. This paragraph grants you a limited license giving you access to materials for this course, including PowerPoint slides, audio/video recordings, written, or other materials, for appropriate OSU-related educational use only. Lectures should not be recorded without permission from the faculty member and must not be further disseminated or shared. Assignments, quizzes, and exams (individual questions or in its entirety) should not be uploaded to websites offering note-sharing, tutoring, or other academic help (free or by paid subscription).

CLASS ATTENDANCE AND PARTICIPATION
Class attendance is a critical component of learning; therefore, you are expected to attend and participate fully in all scheduled class meetings. Many instructors consider attendance so essential that your grade may be affected by your absence. SOME DEPARTMENTS AND PROFESSORS HAVE MANDATORY ATTENDANCE POLICIES. If no written attendance policy is provided before the last day to add a class without instructor permission, no penalty may be assessed for class absences although you may not be permitted to make up certain in-class activities. If you are ill, you should stay home. If you are required to participate in official university-sponsored activities or military training, you should receive an excused absence unless the written course attendance policy indicates otherwise. If you will be absent from class for sponsored activities, you must provide prior notification of the planned absence to the instructor. You may be required to submit assignments or take examinations before the planned absence.

COURSE SCHEDULE ADJUSTMENTS FOR SPRING
Monday, Wednesday, and Friday courses will be scheduled to meet for 45 minutes each class period to allow more time for students to exit and enter classroom spaces. Instructors will be expected to provide additional contact time for these courses to ensure classes meet the required semester credit hour contact minutes.

INSTRUCTOR OFFICE HOURS
During Spring 2021 instructors and teaching assistants shall offer office hours online. Students are asked to respect the posted virtual office hours of all instructors and teachings assistants.

PRE-FINALS WEEK POLICY
Final examinations are scheduled at the end of each semester and are preceded by pre-finals week, which begins seven days prior to the first day of finals. During pre-finals week, all normal class activities will continue; however, no assignment, test, or examination accounting for more than 5% of the course grade may be given; and no activity or field trip may be scheduled that conflicts with another class. This excludes makeup and laboratory examinations, out-of-class assignments (or projects) made prior to pre-finals week and independent study courses. No student or campus organization may hold meetings, banquets, receptions, or may sponsor or participate in any activity, program, or related function that requires student participation. For additional information, contact the Office of Academic Affairs, 405-744-5627, 101 Whitehurst.

FINAL EXAM OVERLOAD POLICY
In the event you have three or more final exams scheduled for a single day, you are entitled to arrange with the instructor of the highest numbered course (4 digit course number) or two highest, if you have four finals on one day, to re-schedule that examination(s) at a time of mutual convenience during final exam week. If the final exam overload includes a common final
exam, the common final exam is excluded from rescheduling unless multiple common exams are scheduled at the same time.
You should submit this request in writing, with a copy of your class schedule, at least two weeks prior to the beginning of final exam week. The instructor has one week prior to the beginning of final exam week to arrange a mutually convenient time for administration of the final exam. After one week, if an agreement cannot be reached, take the request to the department head.

On the Discord Server, students can text chat, voice chat, or video chat with tutors when the MLSC is open. Face-to-face appointments must be made 3 hours in advance through the STAR System ([https://star.okstate.edu/](https://star.okstate.edu/)). The MLSC hours of operation are: Sunday 1:00pm-9:00pm, Monday-Thursday 9:00am-9:00pm, and Friday 9:00am-5:00pm and will be closed during University holidays.

The Writing Center helps writers throughout the composing process; plan to visit early and often throughout the semester, not just the day before an assignment is due. Tutors work with students to improve brainstorming, organizational, and composing techniques. Please check the website or call the Center about online tutoring options.
